

# How do I use my new Kitchen Pail to recycle food scraps?

Three steps... Three & Easy!

1

## Collect...

all food scraps and some food-soiled paper in your new Kitchen Pail.

**Helpful hint:** For easy cleanup, you can line your Kitchen Pail with newspaper or a paper bag.

**Please, no plastics, glass, metals, or liquids.**

2

## Empty...

your food scraps and food-soiled paper into your green organics cart.

3

## Set out...

your green organics cart at the curb by 6 a.m. on your scheduled collection day.

### **IMPORTANT:**

**Please don't set your Kitchen Pail at the curb!**

This project partially funded by the Alameda County Waste Management Authority

**BFI will collect your yardwaste, food scraps and food-soiled paper weekly, and turn them into nutrient-rich compost for use in landscaping and gardens.**
